

## Profile

I'm looking for a junior deckhand position on a private or charter yacht, full-time & long-term contract. After 8 years of working in an office and a bachelor's degree in law, I am longing for a more exciting & challenging workday.

Through my service as a medical sergeant, my learned skills in the deckhand course, and my first work experience on vessels, I have a solid foundation for the yachting industry. I am eager to achieve service excellence for our guests and enrich every crew with my professional, balanced, and easy-going appearance.
