

HARVEY CANHAM

PERSONAL PROFILE

A hardworking, dedicated individual, passionate about pursuing a career in the marine industry. I've been sailing for 2 years and always involved in water sports. Constantly going on dives in locations such as Ibiza and Turkey. I have a real passion for this industry and I want to become a valued member of a professional, self orientated crew. I understand that attention to detail, excellent customer service, and a quality work ethic are just a few qualities needed to become a part of a committed team. I am a teachable and positive minded individual who hopes to bring value while continuing to learn and develop a career on deck.

YACHTING EXPERIENCE

M/Y Oryx (40m) OCT 27th 2022 - NOV 7th 2022

On this Temp job, I would complete a number of jobs including watchkeeping overnight, polishing the stainless, wash downs, cleaning the tender, detailing, installing the recovery line, resorting the fire locker, and other general jobs. this experience was amazing and I learned so much whilst on this boat.
