

DYLAN ROBERTSON

DECKHAND

PROFILE

Seeking a full time or rotational position as a Deckhand on a motor yacht where I can improve the skills and knowledge I have gained so far. I am extremely competent, well mannered, hardworking and would like to retain long standing position where I hope to learn from the best in the industry and be promoted within. My goal is to reach the highest standard of what I can achieve, and I hope to do this with a fantastic team at my side. I had been in the real estate industry for the last 4 and a half years and in the hospitality industry for 8 years prior to that where I owned my own café, managed high end restaurants, and excelled in cocktail bartending.
