

SHANIQUE NORMAN

STEWARDESS / DECKHAND

PERSONAL PROFILE

I am an established Stewardess with 1 Season of Yachting Experience.

I am thorough with Seamanship practices, accumulated knowledge over the last year and looking to further myself within.

I have experience onboard 30m Sailing Vessels and can ensure I would be an asset to a Professional vessel as a dynamic crew member with ambition, a good sense of humor and hands on attitude.

I've been in the Tourism industry working as a VIP Guest Hostess and I was also a freelance Hospitality Manager and Events Coordinator, working with High Profile clients.

I am creative with excellent customer service skills. I can handle multiple tasks on a daily basis, as I am an organized person that can work under pressure. I have the ability to get on with crew, because I am a professional that can work great with a team, but can also work unsupervised.
