## ABOUT ME

I possess the necessary people skills and demeanor for life on board. My integrity and honesty are qualities that I'm proud of. Alongside these qualities, I have developed a solid set of communication skills which allows me to work within a team. Attention to detail and self-motivation supplement an already firm work ethic. I have great respect for my colleagues, ability to improvise and adapt to various situations. I am very disciplined and have strength of character. I am willing to work under the pressure and able to stay calm. I'm ready to perform my duties as soon as possible if my knowledge and professional skills meet the requirements
