OBJECTIVES

I am an energetic crew looking for an exciting and busy role where I can showcase my ability to work hard under pressure and deliver superior attention to detail. With the right attitude, I believe this is an industry I will be able to excel within and I am looking forward to proving myself. I am happy to work in a team or as an individual and understand the constantly shifting nature and timescales of the work within this industry. I am an honest person who values working as a team player understanding the balance of individual responsibility and how it contributes to the overall running and maintenance of the yacht and guest experience.
