ABOUT ME

I am a young enthusiastic and personable 25-year-old who is eager to contribute to team success through hard work, determination and excellent organisational skills.

I have an exceptional passion for people, a great eye for detail and my outgoing and warm personality allows me to easily connect with, and build quick, long-lasting relationships with new people since having an optimistic outlook on life. Working abroad with people from all over the world has encouraged me to live up to my fullest potential and to pursue new career challenges and opportunities.

As a result I believe I would be a good asset for any crew, I am a team player, a problem-solver, a strong listener and a skilful communicator. Although I am new to the industry, I am a fast learner, motivated to grow and excel in the yachting industry.
