ABOUT

Having vast experience in the hospitality industry through different roles within premium private country clubs and resorts across the USA (with prestigious World class accolades and Michelin Star awards), I feel that I could transfer my skills and a strong knowledge of food & beverage/ service and hospitality to the yachting industry. Therefore, building a strong career within the superyacht industry

I have gained experience and knowledge in Managerial roles, Lead Bartender, Server, Cocktail Server, Bartender, Banquet Event and Special Events set-up and service, as well as French, American/ Plated, Synchronized, Fine dining and Family style service.
