

JEANRI ACKERMANN

DECKHAND

ackermannjeanri@gmail.com

OBJECTIVE

I aim to join a Private or Charter vessel as a full-time deckhand. I would like a position where I am afforded the opportunity to contribute and integrate into a team environment. I enjoy challenges and where possible, I like to impart and utilize my previous experience working on yachts. I believe I would be an asset on any vessel as a valuable part of the team.

EXPERIENCE

Financial Market Trader, FTMO | Self Employed | 2019 - Present

Working as an individual for an online company that funds certain traders who pass their challenge and makes profit splits. Maintaining the highest level of professionalism and adherence to strict procedures relating to high levels of security and safety of finances.

Responsibilities included:

- Managing capital of a large company
- Handling meetings discussing current events and market prices
- Taking initiative on how to handle difficult market conditions
- Problem-solving and adapting
- Having the discipline to stick to a trading plan
- Adapting to new strategies and staying educated
