Seeking a Deckhand / Specialist Firefighter / Medic or combination role aboard a Motor Yacht. I am from Dallas, and have a Degree in Emergency Medical Technology and Fire Technology from the University of Texas and spent ten years working as a Firefighter, Paramedic and Flight Paramedic across Texas, New York and Florida. I then moved to the U.S. Virgin Islands, and have been there for 11 years working on vessels. I enjoy meeting new people, learning new skills and playing on the water.
