Vaccine: x2 shots Pfizer
LANGUAGES: English
HEALTH: Perfect health, True none-smoker
DRIVERS LICENCE: Yes, fully clean
AVAILABLE: Immediately pending two days to fly
LOCATION: South Africa
Other: No tattoos

PROFILE:

My name is Kayla Campbell, and I am a 24-year-old student who just recently finished a bachelor's degree in psychology. I have completed my first season onboard a 42m motor yacht as a 3rd stewardess and I am now looking to fulfil a similar role and join someone else's yachting family. I grew up near and around the waters of Plettenberg Bay South Africa. I have taken the initiative since I was 16 to work in the hospitality industry and have since then, waitressed, managed and been a barista at restaurants in my hometown. This type of work along with my degree in psychology has allowed me to have an extensive knowledge of social and people skills. This knowledge can therefore be extended to both adults and kids. I grew up in hostel for most of my years and straight out of High School, I took it upon myself to try something new and so I moved to China for roughly 5 months to explore and to travel. I believe that this industry is perfectly suited to my personality and background and as I am in it for the long run.

MARITIME CERTIFICATES:

2022 Superyacht Stewardess Course (Silver service, Cocktail making, Barista, Housekeeping, Floral design)
2022 MCA Food Safety & Hygiene Level 2
2021 Norwegian Medical (exp. 01/12/2023)
2021 STCW (PSSR, PST, Elementary First Aid, Fire Fighting)
2021 RYA PBL2
2022 PDSD

YACHTING EMPLOYMENT HISTORY:

3rd Stewardess M/Y Botti (42m) Private 28/06/2022 – 30/09/2022

I worked on M/Y Botti for a short season (3 months) as a 3rd Stewardess working in all departments of the interior. I applied for the job through Facebook in which my previous captain contacted me and asked if I would like to join and be a part of the team. I worked in a setting with vastly different nationalities, and my interior team and I spent a lot of our time helping out on deck especially when docking and anchoring. I would help with the lines and fenders and would often help do a full wipe down and polish of the whole boat. My main priority was housekeeping and laundry in which over the 3 months I became proficient in. The best part about this boat and the time that I spent onboard was working with my great interior team in which we had plenty of laughs but still worked really well together professionally.

DAYWORK:

Service/Housekeeping Stewardess M/Y Molly Malone (26m) Charter 19/06/2022 – 24/06/2022

I worked on this boat for a week, helping wherever necessary but my main duties included turn ups, service and setting up/bartending for between 20 to 40 guests.

Housekeeping/Laundry Stewardess M/Y DB9 (50m) Private 22/05/2022 – 12/06/2022

I worked daily and moved onboard temporarily as a laundry/housekeeping stewardess. My duties included detailed

cleaning, laundry, and service during a week-long boss trip. This job required a lot of meticulous work and a keen eye for detail.

Cocktail waitress/Bartending Cannes Villa Fashion TV 22/05/2022 – 26/05/2022

As one of the servers/bartenders, my work included setting up, serving drinks and food when it was provided and cleaning up after guests had left. It was work that required a lot of focus, plenty of energy and excellent communication.

Housekeeping/Deck S/Y Serenade (19m) Private 18/05/2022 – 19/05/2022

I worked on a 19m Sail Yacht for two days while the captain and stew/deck remained onboard. I was tasked with doing a detailed clean of the interior and spent the day on deck wiping down all the varnish, and polishing.

HOSPITALITY EXPERIENCE:

Waitress Global Village 05/12/2016 – 15/01/2017

Waitress Global Village 02/12/2017-20/01/2018

I worked at Global Village in Plettenberg Bay South Africa for both the season of 2016 and 2017 as a waitress. The menu catered to a variety of diets and was both simple and delicious. The restaurant made readily available menus exclusive to afternoon celebrations and functions and had offered the services of the staff for catering.

My skills as a waitress at this restaurant were extended to making drinks, coffee, cleaning up, service, as well as admin and stock take. This environment was professional and appropriate with the help of communication between all employees.

Manager Down to Earth 12/08/2020 – 17/01/2021

I worked at Down to Earth in Plettenberg Bay for a few months as the manager. This restaurant had an extensive menu for a variety of diets. This was a restaurant open for events such as birthdays, weddings, and any other form of celebrations in which I would cater/watch over. As the manager, I would mostly take calls for the restaurant for bookings and events and would take the responsibility of pre-booking tables in advance. I would often do the grocery runs for the restaurant in the mornings before I would go to work; and my most obvious job as a manager was to ensure that the customers were always satisfied with both the service and the food.

WORK EXPERIENCE:

Au Pair Shinel Crerar 16/09/2021 –05/12/2021

During the season of 2021 I worked as an au pair for the Crerar family taking care of their two children Finn and Lulu. My responsibilities mostly included fetching the children from school and dropping them off at any extracurricular activities and then helping them with their homework when needed.

EDUCATION:

2019-2021 Bachelor's Degree in Psychology

KEY SKILLS & HOBBIES:

Swimming, snorkeling, hiking, camping, Interpersonal skills, independent, outgoing, out of the box thinker, team building skills, open-minded, can take the role of either a leader or a person who follows creative, sketching/drawing, enthusiastic, decorative, barista, floral, fine dining (all skills taught/further enhanced during stewardess course), wine tasting, exploring, baking
