OBJECTIVE

An enthusiastic, experienced and reliable stewardess/cook/crew chef, looking for a permanent or temporary position as a crew chef or a cook. I am considering a private/charter 15m-25m sailing/motor yachts/catamarans or I will be happy to assist the head chef on a bigger boat.

I am energetic, hardworking, positive, creative and passionate.
Traveling and working all over the world helped me to acquire knowledge about different cuisines (Mediterranean, Caribbean, North and Central American, British, Asian and East European).
Enjoy improving my skills, always curious about new recipes and ideas.

I got my culinary experience from working on different boats as a crew chef and I cooked for guests during week charters on smaller catamarans as well. I have recently finished Ashburton Cookery Academy courses, where I have upgraded my cooking skills to be ready to step up.
