### Profile & Objectives

I am interested in fulltime, rotation, cruising schedule positions and open to freelance or permanent CAPTAIN of a motor yacht on a private or charter program or expedition boat, anywhere in the world, boats in 40 meters length and over. Objective to fulfill the position according to my experience, qualification and professional goals within the luxury yacht industry.

Accomplished as Master Mariner with +26 years of seagoing experience aboard various types of ships and Yachts with proven leadership, multinational crew administrating and decision-making capabilities. Demonstrating succeed in identifying and analyzing problems and recommending corrective actions and procedures to achieve goals as well as good feedback I have received on my performance in guest satisfaction and my previous career experience in ships.

- Understanding of current regulations including, but not limited to SOLAS, MLC, ILO, STCW 95+10, ISPS, ISM, PYC, LY3, MARPOL, Caribbean MoU, Paris MoU, Class Societies.
- Well-gained ocean-going navigation skill / weather analyzing
- Experienced Security Officer- working in some very challenging areas including Africa, Asia, Caribbean Sea and S. America etc.
- Shipyard experience including newbuild, emergency dry docks, Class dockings, major refit, paint and teak.
- Spent many years with a genuine passion for training crew on ships and yachts in every aspect of safety.
- Extensive ship handling experience on vessels around 330 meters and motor yachts up to 60m.

### Yachting Experiences
