Marcelo Figueira

Deckhand

I am a dependable, hardworking and dedicated individual, who is able to easily adapt to different circumstances. I thrive on learning new skills and applying them to any challenges I'm presented with. I pride myself in working well with others, as well as being well organised and punctual.

I am currently looking to secure a position on a motor yacht as a deckhand, my career goal is to expand my knowledge and skills within the industry to become a well experienced deckhand and to play a part as a valuable crew member, and within time slowly move up the ranks.

Maritime Experience

Yacht Works | Cascais, Portugal

SHIPYARD EXPERIENCE - 08/11/2022 - 16/11/2022

- I was tasked with full washdowns of RIBs, cabin cruisers, as well as bowrider boats
- Assisted with preparation for the trim tab to be painted on M/Y Katerina XL
- Gelcoat polishing
- Assisted the engineer with flushing of engine

M/Y Canvas | Golfe - Juan, France

DAY WORK (SHIPYARD) | 15/12/2022 - 16/12/2022

- I replaced the sea strainer and bolted down the sea chest
- Operated the scissor lift, gelcoat polished the port side of the vessel and applied zertona coating
- Cleared and reorganised bilge storage bases in the master bedroom and corridor

Land Experience

JULY 2021 - AUGUST 2022

Webhelp, Lisbon, Portugal

Technical Advisor | LEIA Project

- iOS Advisor: I was an advisor for the technical department and the media and services department (billing)
- Technical Department: The devices I supported ranged from iOS, watchOS, iPadOS, as well as headphones.
- Media and Services Department: I supported any cases regarding refunds, compromised accounts/payment methods, as well as unrecognised charges.
