I currently have 6 months of experience as a Stewardess. I would love to evolve a little bit more within the yachting industry as a Deckhand. I always have been professional with a great sense of organization while on duty. I know how to integrate myself quite easily into a new environment thanks to my team spirit and excellent communication skills. I am a hard-working FRENCH / SOUTH AFRICAN (in possession of an IRISH/EU passport) please let me show how valuable I could be to your team.
