Yachting Experience

Day work – M/Y Mah Jong 28m – When I was day working, I completed a wash down.

Deckhand – M/Y Wedge Too - Private 65m - 4th April 2022– 15th January 2023

My responsibilities while guests were onboard for 5 months were wash downs, detailing areas, teak maintenance, line handling and some tender driving experience on a 6-meter inboard. I was also making sure that the safety and security of the yacht was my highest priority. While the guests were off, I was preparing areas for sanding, varnishing and teak oiling.

Work Experience

McDonald's – Lymm Services

Floor Manager - 2 years 6 months – August 2019 until February 2022

My responsibilities as a Floor Manager are to lead areas in McDonald's such as the kitchen and front counter to make sure the McDonald's experience and ethos is delivered at all levels. At McDonald's I was head of food quality where I put together a small group and explained the gold standard procedures to try and boost my area. As a Floor Manager and a Crew Trainer, I have developed new starters in my role and showing them what is expected of them in the workplace and developing the McDonald's ethos. In my time at McDonald's, I got Crew Member of the month in January 2020 and Manager of the month in February 2021 showing that I am hardworking. I was appointed manager when I was 17 years old. I also learnt the importance of teamwork and how to interact with both my peers and other members of the McDonald's team.

Football Referee - 2 years May 2017 - October 2019

I am a qualified match official for Liverpool County where I have refereed matches from under 6's to open age over a two-year period. In my time of being referee I have refereed in Liverpool and Everton Academy and refereed in 3 finals in the Warrington Junior Football League. I learned the laws of the game so that I could apply them correctly to the situations within the game of football and to make sure that my decision was fair to both teams.

Superstars Holiday Club Limited – June 2017 to January 2022 - Sports Coach

I coached different aspects of sports to children aged from 5-12 years old. I would be given a group of 15 children that I would deliver either Football sessions or Multi Sports sessions that were age specific and ability specific. Under the Multi sports programme I was able to deliver over 40 different sports to the children. Also, I having to deal with safeguarding issues which may range from issues with children, making sure I could account for every child in my care, speaking to the children and getting to know them.

Interests

I am interested in watching sports such as formula 1, NFL and football. My favorite football team is Manchester City and I enjoy attend matches. I enjoy going skiing which my family try and go every year. When I was younger, I was platform diver for the MAC (this is the Manchester diving team). I still like to keep fit and can often be found doing weight training and cardio at the gym.
