## Profile

My aim is to secure a position as a full-time deckhand aboard a private or charter motor yacht. I am a hardworking and reliable individual. My goal is to work along an experienced and energetic crew that will educate me so that I can become a valuable contributing member of the team and help provide excellent service to the guests on board. I am familiar with boats as I operated my family's personal vessel and other boats ever since I obtained my Rhode Island boating license when I was 14. I want to take the next step and work on a larger motor yacht. Growing up on Narragansett Bay and my love for the water I became very comfortable on the water from an early age.
