I aim to secure a position on a private or charter yacht as a deck/stew. I'm an extremely hard-working and consistent person. I have a strong, outgoing personality and excellent communication skills. I work very well under pressure and can stay calm and positive in fast-paced environments. My family and I spent our holidays going out on the boat, skiing, knee boarding and fishing. That is when I fell in love with the ocean. I am a very quick learner and look forward to bringing my part in the team.
