Date of birth: 21st December, 1986
Nationality/Passport: Ghanaian
Vaccination Status: Covid-19 Fully Vaccinated
Visa: U.S. B1/B2 - Exp. 04 Jun, 2023

PROFILE

I am an experienced Marine Engineer/ Maintenance Engineer/ Engine Crew Manager and a Supervisor seeking a permanent, temporal or rotational engineer role on motor yatches. I am a holder of EOW Class 1 Engineer Unlimited (Y1 Equivalent) certificate with more than 10 years of practical engineering experience mostly on large commercial ships. I am seeking this opportunity to provide technology based solutions in effective, efficient and in the most professional manner. I am detail oriented, organized engineer with strong background in high powered diesel engines (2 stroke and 4 stroke Engines), Azimuth & Azipod thrusters, Generators, Electrical and Electronic systems, Air Conditions, fridge and provision compressors, pumps and motors, and all types of boilers. I also have experience in Dry docking, CSM Surveys, Class and Intermediate Surveys, PSC and Flag state Inspections.

MARITIME QUALIFICATION & CERTIFICATION

- Class 1 Engineer Officer Unlimited (Reg. III/2), Obtained Apr. 2021
- Eng.1, Obtained Mar. 2021
- Advance Fire Fighting, Obtained Nov. 2021
- Medical First Aid, Obtained Nov. 2021
- Elementary First Aid, Obtained Nov. 2021
