EXPERIENCE

M/F Stena Vision | 175m | Watchman / OS | Stena Line | May 2022 - October 2022

- Assisted the officer of the watch with all his duties both on the bridge and on the deck.
- Standing navigational watches, making VTS reports, carried out lookout on the bridge, updating ECDIS, creating routes, updating charts and navigational publications,
- assisting master and C/O with all office jobs, assisting officers with the maintenance of LSA & FFE.

M/F Stena Nordica | 170m | Watchman / OS | Stena Line | Feb 2022 - April 2022

- Most of the time was spent on the bridge during night watches in the Irish seas.
- Good experience with bad weather conditions, navigating in darkness and changing environments.
- Great training in communication with the port service.

M/F Sassnitz | 172m | Watchman / OS | Stena Line | September 2021 - November 2021

- This was a special delivery from a port in Sweden to a scrap yard in Turkey.
- Our team was tasked with setting out and moving this ship after 1 year of being at the quay.
- I was part of the team that executed the passage plan and safe navigation.

M/V Stena Foreteller | 195m | Ordinary seaman | Stena Line | June 2021 - Sept 2021, Nov 2021 – Dec 2021

- Keeping watch as helmsman and lookout,
- operating winches during mooring or unmooring operations, performing general maintenance on deck, lashing and unlash cargo.
- Operating fast rescue boats and lifeboats on water.

M/V Horyzont II | 56m | Deckhand | Survey vessel | February 2020 - March 2020

- During this practice I got familiar with all kinds of navigational equipment. I spent a lot of time on the bridge, working with radars, ECDIS, logs, GPS, GMDSS devices, and other navigational appliances.

S/Y Dar młodzięzy | 109m | Deckhand | Training vessel | October 2018 – January 2019

- I carried out general maintenance work such as washing the deck, polishing brass railings, assisting the carpenter, maintaining the wooden deck, varnishing, chipping and taking part in preparing the surface for painting. In addition, I gained knowledge of the various tools used on the ships, and learned about mooring operations, handling winches, sending mooring lines ashore and handling mooring lines.
- In addition, the 'Dar Młodzięzy' was also chartered for private events. During this time I worked in the interior as a dishwasher, kitchen help and waiter serving guests. This internship was a valuable time that gave me a lot of maritime knowledge and made me more confident in all deck work.

HOBBIES AND INTERESTS

- Freak about cars, health, sports and travel.
- Love water and all activities related to it. I spent most of my life on the Polish coast trying water sports, so I am great at tender and water toys driving.
- Currently involved in full-body workouts, cycling, yoga and swimming. I played football professionally.
- Feel confident in an international team, as I have participated in a work & travel event in the USA.
