PROFILE & GOALS

I am 22 years old and was born and raised in South Africa. I have always had a passion for wildlife, the ocean and travel. Since High School, I have wanted to pursue a career in yachting but decided to complete a degree in Zoology before getting into the industry.

I have certification in Powerboat Level II, RYA PWC Jet-Ski, Deckhand, and Stewardess Courses. Furthermore, I have my PADI Open Water, Advanced Open Water, Rescue Diver, Divemaster and Scuba Instructor qualifications.

I work well in a team and have been in many sports' teams at school and provincial levels and enjoy a challenge. I believe I would be a great addition to any crew given the opportunity.

I am a dedicated, hard-working individual who is ready to take on any assigned task. I am new to the yachting industry but am ready to start building my skills and experience to make a career out of it. I would like to work on a private or charter motor yacht of any length.
