

DUNJA BOBIĆ

I was born and raised on coast of Adriatic sea. After many years of onland experience in hospitalit and physiotherapy, 2019 I decided to put my knowledge and hard work into yacht industry. I am also a licensed Yoga Teacher . My experience for now is extensive in a position Cook/Stewardess in charters onboard catamarans sailing Adriatic. I am keen to jump up to position where I can fullfill my full potential and gain more experience. I am looking for a permanent or seasonal role onboard motor or sailing yacht and a crew with who the hard work is followed by humor and fun as I have a bubbly character.
