

After greeting ,,,

Dear Mr / Department Manager After seeing your announcement that you need a job vacancy and reading your job conditions that I found fit my academic qualifications and practical experience, I would like to apply to you to fill this job, as I have previously worked in the field of sales, therefore I am able to improve your work role

I have read a lot about your company and I am glad to apply to work with you as I know enough about your production in addition to that I am very interested in working for your company

As you will notice in the attached CV, I have more than 25 Months of experience in a lot of marine companies

I am also kind, friendly, hardworking I am very motivated; goal orientated and has a good work ethic. I am very reliable and responsible as well as making sure to be on time to any commitments. I am an enthusiastic learner with a keen eye for detail, and perform well under pressure. I always give 100% in everything I do

Having my own business has taught me a lot and I want to grow and expand my skills, knowledge and work abroad on a private or charter super yacht.

Sincerely...
