SY 'Double Happiness' Sunreef 80

7 - 8 May 2022

Stewardess/Hostess

Whilst working aboard Yacht Do More, I was given a weekend's leave to work aboard a new Sunreef 80 Catamaran during the Formula One in Miami.

We moved the yacht to the necessary marina, docked and prepared the exterior.

I oversaw the interior cleanliness and detailing and ensured she was ready for showing.

Whilst clients and prospective buyers were aboard I took care of there drink orders and needs.

I maintained the guest list and access to the yacht once the night progressed.

The following day, I assisted in the close down of the yacht and and packing away of her interior items.
