### INTRODUCTION

I am a proactive and responsible person with an eye for detail, looking for a Deck Hand position on board a charter or private motor yacht. I am an experienced SCUBA diver having my PADI advanced diver certifications. I am experienced in leading groups on jet ski charters, and have a good understanding of customer service and have an excellent work ethic. I consider myself new to the industry with 1 season's (3 months) day work experience under my belt.

I would like to contribute, as part of the crew, to deliver a quality guest experience.
