CAREER OBJECTIVE

Seeking a permanent Engineering position for longevity with a private or charter motor yacht program. Within the next six to twelve months I plan to work towards my SV- qualifications to further progress my career in the engineering department as my goal is to be in the industry long-term.

EXPERIENCE

M/Y Amico/ S/F Jichi, Azimut 88'/115' Paul mann 61' 5 May 2020- July 2022

First mate/ Fishing Mate/ Sole Engineer

Fulltime professional fishing program, accompanied with the owners family yacht. Fishing throughout the Bahamas and Caribbean .

Management of the owners fleet of 4 Boats.

Active duty taking care of the owners children aged 3,9 and 11 Years old. This includes baby-sitting taking them to classes , helping out before tests and homework tasks.

Regular runs done with 39' contender from Miami to all over Bahamas
During this time I was also Sole engineer on both Jichi & Amico,
Doing all maintenance, services, scheduling & general upkeep of engines, generators, chillers, water-makers etc.

M/Y Arthurs Way, 118' Millennium 21 Feb -4 May 2020
