Email: erincem@icloud.com

Age: 20

Nationality: British/Irish

Health: Non-smoker, fully vaccinated

+ booster

Driving Licence: Full UK Licence

Current Location: Fort Lauderdale

Availability: Immediately

## PERSONAL PROFILE

Having recently become a qualified divemaster, I have learnt assertive leadership skills through the act of teaching and assisting new dive students. I've always seen myself as a chameleon; adapting easily to various environments, with my energetic personality. This trait has been used positively in the yachting and hospitality industry, providing precision service to customers from all corners of the globe. Taking my excellent customer service skills into yachting has allowed me to feel consistently challenged and fulfilled getting me that one step further in achieving my life long dream in becoming a captain. Having been employed since the age 15, I've been able to develop emotional resilience in an adult environment, respecting all those working above and around me. I'm a hard worker which has naturally benefited my career progression. An illustration of this was exhibited when my former employer offered me a promotion if I were to return to his business.

## MARITIME EXPERIENCE

### Temp-Deckhand Odessa 49m | 20th October - 7th November 2022

Here I practiced my Jet tender skills, washdowns, yard work, working under pressure with guests on plus I gained bridge watch experience.

### Temp-Deckhand/Divemaster LionShare 40m | 1st June 2022- 17th August 2022

Working onboard Lion Share has given me a lot of experience to become the perfect yacht. I was heavily involved in refurbishing the yacht, including painting using AWLGRIP learning the process and mix ratios, faring, corking etc. I have also mastered routines i.e. daily duties, weekly duties, polishing, washdowns, knots and becoming a confident tender driver.

### Divemaster | PADI 7th January 2022 - 1st March 2022

Becoming a Divemaster intensified my fitness levels making me both physically and mentally stronger. It got me into a strict regime, for example completing an 800m swim every morning in under 14 minutes or 100m tow of a dummy 'dead' diver.

### Superyacht Deck Crew Training | UKSA August 2021

This enhanced my knowledge and skills on yachting. I covered power boat & jet ski training, fire training, lifesaving as well as knot tying, varnishing, splicing and more.
