CAREER OBJECTIVE

After recently completing my advanced deckhand course, I am currently seeking a permanent deckhand position onboard a Private or Charter Motor Yacht. I find myself enjoying hard work and experiencing challenges. My fitness and physical strength are both excellent and I cope well with physically challenging work. I aim to do every task to the best of my ability and improve where ever possible. I enjoy learning new things so working with an experienced crew will be ideal. I am reliable, responsible and organized. I work well with a team, I believe I would be a great asset to a professional yacht crew. With a good sense of humour, I am fun to be around, I am well-manned, kind-hearted and well-presented. I look forward to being part of a team.
