Employment History & Experience:

September 27 – October 1 2022: Day working position during Hurricane Ian

Held a day working position on a 63' Nordhavn to assist with lines, fenders and stowed the boat in preparation for Hurricane Ian. Stood a watch on board for the duration of the hurricane with sustained winds of up to 60 knots. Washed boat and readied it for owners.

November 9 – 15, 2022: *Julie M* | Deckhand

Deckhand during a crossing from Naples to Fort Lauderdale on a 118' Hargrave. Hooked up tow-lines for the tender, was responsible for hourly engine room checks and standing watch, washed/polished boat and tender. This was a temporary position.

November 3 – 30, 2022 (excluding 9-15): *Blue Time* | Daywork

Day working position where I was responsible for removing flooring throughout the boat, handling lines during transportation from the marina to a shipyard, and standing watch. Stood watch solo for 8 straight days from November 22 through the 30th while generators were running – requiring hourly engine room checks and working through weekends and holidays.

December 2 – 23, 2022: *Compass Rose* | Daywork

Three week long, live-aboard day working position in which I was responsible for waxing deckheads, painting, polishing stainless, rain-x-ing windows and standing watch.

October 25 – 30, 2022: Fort Lauderdale International Boat Show | VIP Dock Attendant

Worked at a VIP tender dock assisting tenders with docking by tying lines and preventing collisions with the dock and other boats. Also assisted guests with getting on and off their shuttles as well as helping guide them around the show.

October 20 – 24, 2022: Casino Royale | Daywork

Day working position in which I assisted the crew with cleaning/washing down, offloading/onloading equipment, and lining engine room and ship interior with protective material during fueling/maintenance.

Higher Education:

B.A. Sociology | *UC Santa Barbara, 2022*

Hobbies and Interests:

I enjoy cooking, hockey, being outdoors, and traveling as much as possible. My ideal program would be based in South Florida with the ability to learn and grow in the industry. I also have experience with jet skis and love taking them out.
