PROFILE

I aspire to participate in new challenges that allow me to bring value, knowledge and demonstrate high commitment, looking to join a boat where I can demonstrate my skills while I am being part of an excellent crew, cero drama, and good environment to work with. Longevity is one of my goals giving a good performance, improving myself and providing my best every day.

Passionate seafarer, confident and disciplined with the right and positive attitude to join your boat, keep learning, growing up until becoming a well-known captain.
