“Knowledge of human body.

Know how to provide good customerservices.

Leadership, highly responsible, good human relations, hard-working, active, polite, service mind.

I am a hard worker who is full of enthusiasm and a good team player focus on work.

I want to develop my experience in the hotel. I am a professional spa therapist for 11 year. I do not smoke, open minded happy to learn anything. I had work in several luxury hotels/resorts / private yacht and work in overseas. I would like to upgrade my experience more when I have new opportunities.”
