My strengths lie are Management, Leadership and Service. In addition, I have completed a Purser course, and gained Business Administration degree prior to starting my yachting career. I would love the opportunity to utilize my skills and be part of a dynamic and professional team where I can pass on my knowledge to strive for excellence, balance and harmony onboard. MARITIME EMPLOYMENT EXPERIENCE

M.Y. BLUE EYES LONDON/M.Y BEOL (60m) Med	CHIEF STEW	April 2019- Jan 2022
Responsible in training, motivating, and coordinating the interior crew which comprises of four stewardesses. Along with my team we created a streamlined and organized interior by establishing SOPs, Data Sheets, Guidelines, and rosters while providing five-star service for our guests. Close liaison with the Chef ensured all guest preferences and allergies were adhered to, while I organized restaurant bookings, massages, and transportation logistics.		

Interior accounting, orders registration in the yachts system, and managing the day-to-day cash of the boat was part of my duties. After the boat was sold, I have outfit the whole interior of the boat in a very tight period followed by a very busy season where we have been adapting the interior to suit the needs of the owner.
