

ZANE VAN WEZEL

DECKHAND

CAREER OBJECTIVE

When I matriculated in 2017 I knew I wanted to build a career in the yachting industry. I completed most of my RYA Courses in Cape town. I've always had a passion and love for the ocean weather it be **sailing, swimming, jetskiing, Ski-ing, bodyboarding, deep sea fishing, diving, scuba diving, Snorkeling and most WATERSPORTS.** I am **strong minded, proactive** and **always willing learn**, with a **strong work ethic** a sense of humor and driven to become a successful leader in the industry.

I am very independent but I am always eager to learn more and gain better knowledge and perspective. I am **experienced in cleaning, sanding, painting, fiber glassing, varnishing, teak, diesel maintenance and rebuilds of power boats.** I have great interpersonal skills and interact very well with people on a personal as well as professional level. I am looking to forge a path in the yachting industry and to **work my way up through the ranks the next step is my YACHTMASTERS.** As the seasons progress, I plan on bettering my education and experience in the long run, **I am willing and driven to become a valuable asset on any vessel.**
