

Chloe Atkinson

Junior Stewardess

I am open and fun-loving, approaching challenges with a sense of humour and a hunger for growth. I am naturally caring which feeds into my passion for service as well as the deep sense of personal responsibility which I feel towards the health and safety of myself and those around me. I am particularly enthusiastic towards the prospect of employing and up-skilling my creative abilities in the areas of service and interior, feeling intuitively drawn to table setting, table décor and flower arrangement. I look forward to learning from and diligently assisting those who are willing to give me the opportunity to prove myself as a valuable crew-member.
