To whom it may concern,

Hi! My name is Tasha Knoesen.

I completed my final year at school last year (2021) and have since been working part time for various promotional companies whilst working as a bar tender/waitress gaining some experience in the hospitality industry.

I have recently completed all my courses including STCW 10 Basic Safety Training & Food Hygiene Level 2 both with PYT (Professional Yachtmaster Training Centre). I then completed the IAMI G.U.E.S.T. Introduction to Yachting 5 day stewardess course with Trilogy Luxury Training as well as my ENG1.

I love the outdoors and am a huge animal lover. I have competed in my school equestrian team and have been riding since the age of 4. I love the water and learnt to swim when I was 6months old. I have competed in my primary and high school swimming teams and completed my first Midmar Mile (1 mile open water dam swim) at the age of 6 with an additional 2 more after that. I have recently completed 2 x 3 day Dusi Canoe Marathons (white water canoe race over 180km). I just need someone to give me the opportunity to start my career in the yachting industry which I am so looking forward to beginning.

I have surfed in Jeffreys Bay and St Francis in the Eastern Cape, South Africa, as I come from an active family who have given me the opportunity to travel the world. One of my favourite hobbies is snow skiing and I have been lucky enough to ski in Switzerland, France and Austria. I have also visited Florida (USA), Germany and Italy.

I recently completed my Open Water Dive Course through ScubaXcursion in Scottburgh, KwaZulu Natal, and was lucky enough to dive several times at Aliwal Shoal, one of the top dive sites in the world. This is now my latest favourite hobby!

I look forward to the opportunity of working with you and am willing to learn as much as I possibly can in order to be the best I can.
