

MADISON EMEL

DECKHAND/DIVE MASTER

+1 (407) 619-3527 | MADISON.EMEL@ICLOUD.COM

PROFESSIONAL PROFILE

I am looking for longevity onboard a motor yacht, working alongside a great crew that that will afford continuous growth for all members of the team. My objective is to increase the tonnage on my license and to continue progressing within the industry, ideally while putting my Dive Master certificate to use.

MARITIME EXPERIENCE

M/Y Real Summertime 37m Sovereign

Temporary Mate | Oct - Nov 2022 | Ft. Lauderdale, FL

- Prepared boat to be guest ready after a four-year yard period.
- Taught deckhands that were new to the industry how to do washdowns and docking procedures.

S/Y Quarterdeck Charter Company

Seasonal Mate | April- Sept 2022 | Croatia

- Maintained constant communication with charter company, crew, and guests to make sure everything flowed as smoothly as possible, and guests were able to enjoy excursions effortlessly.
- Assisted with med mooring, water fill ups, electricity, and passerelle.
- Prepared yacht for being under sail, making sure everything was secured in place.
- Problem solved when unexpected issues occurred such as overheating generators and overflowing bilges.

M/Y MadSummer 95m Lurssen

Freelance Deckhand | March - April 2022 | Bahamas

- Owners trip to Bahamas with 6-40 guests on board at a time.
- Assisted guests with water sport equipment and activities.
- Helped with tender runs to various islands in different sea conditions.
- Participated in diligent anchor watches.

M/Y Solaris 30m Sunseeker

Delivery Deckhand | Feb 23- March 4, 2022

- Completed delivery from St. Thomas to Ft. Lauderdale.
- Cleaned and painted engine room.

Expedition Vessel National Geographic Venture 72m and

Expedition Vessel National Geographic Sea Bird 46m

Seasonal Deckhand | June- Dec 2021| Alaska - California

- Proficient in operating the hydraulic cranes to move Zodiacs, paddle boards, and kayaks into and out of the water.
- Assisted with bridge watch/navigation throughout glaciers and other barriers through Pacific coast and performed hourly security patrols.
- Familiar with shipyard operations and safe work practices utilizing various hand tools such as drills, sanders, and grinders.
- Managed, maintained, and drove 22' Zodiacs
- Proficient in drills, station bills, and how to assist in an emergency.
