## ABOUT ME

I am fully vaccinated, young, motivated, work-driven, and an organized multi-tasker. I have strong adaptability skills making it natural to accomplish unexpected plans and tasks. I started yachting in 2020, took a break to utilize my skills as an event coordinator in Miami, and I am now ready to return to my passion for yachting. I would love an opportunity to join a boat long-term to learn and expand my skills on deck.
