### Objetive

Seeking a full time Stewardess position. My goal is to provide an exceptional, professional service to my guests. I would like to work among a hardworking crew who respect one another and to grow and learn within my interior team. I am new in the Yachting industry, but I am eager to improve my knowledge and skills

### Profile

Enthusiastic stewardess eager to contribute to team success through hard work, attention to detail and excellent organizational skills. Clear understanding of day-to-day tasks. I pay attention to detail and ensure that the presentation of the boat is always meticulous. I am very neat and well presented. I have learnt that I can multitask and be flexible in adapting to new environments and cultures. I strive to develop my personal skills to be the best in my endeavors.
