DECKHAND

PROFESSIONAL PROFILE AND SKILLS

I am a healthy and fit individual that adapts easily to any working environment. I am a fast learner who can be introduced to a new system and work with minimum or no supervision.

I am self-motivated and team orientated and willing to work hard to achieve my goal of getting a job as a deckhand and working my way up to becoming a captain one day.

My skills include:

- working under pressure
- leadership
- tender driving
- great interpersonal and communication skills with all levels of management
- attention to detail
- instructing
