KYLE BRIDGER

Deckhand

With 1 Season of Yachting behind me and valid Schengen and B1B2 visas, I gained experience with Limousine Tenders, Heli Operations, Hydraulic and Crane Operations and Watch keeping including Night watch.

Being onboard a 125m Motor Yacht and it's 40m Support Vessel, I assisted with Seaplane Mooring, Diving and Water Sports (Jetski, wakeboarding, waterskiing and e-foil) and can ensure I would be a dynamic crew member with ambition, a good sense of humor and hands on attitude.

I've been in the Tourism Industry, working as a VIP Guest Tour and Safari Guide and worked on 12V systems as a freelance electrical assistant.

I am comfortable in any new situation and I am able to communicate well with all age groups, I have excellent leadership abilities and I enjoy working as part of a team. I take pride in my appearance, punctuality and attitude.
