WORK EXPERIENCE

MANAGER, KONA ICE OF ANNAPOLIS 2021-PRESENT

Since the summer of 2021 I have worked as a manager at the popular and nationally known mobile snowball business, Kona Ice. As manager I trained new employees and oversaw the general maintenance and cleanliness of our fleet of 4 trucks and the garage where they were housed. I also played a role in money management, inventory assessments, and customer relations where I found new customers and booked events.

DAY CAMP DIRECTOR, WEST RIVER CENTER 2017-2019

Starting in May of 2018, I worked as the Day camp Director for a summer camp / retreat center. As director, I was in charge of maintaining the safety and education of over 75 children ranging in ages 5-16. I wrote curriculum as well as planned and ran activities such as archery, rock wall climbing, and kayaking. As such I am accustomed to long haul, 17 hour days in the summer heat and inclement weather while still maintaining an enjoyable environment for the campers.

LEAD KITCHEN AID, WEST RIVER CENTER 2016-2018

In the evening, after day camp had ended for the day, I would report to the kitchen where I was in charge of training new employees, meal preparation, service, and washing dishes.
