

# LUIS FABIAN SALCEDO OSUNA

---

## ABOUT ME

Qualified navy pilot with offshore experience in jack up`s Rigs and RORO`s vessels, certified OOW. I am familiar with deck officer responsibilities such as navigation, deck maintenance and docking. Always looking forward to improve myself and full commitment to work and overcome any problem or circumstance that may appear in a vessel.

### OBJETIVE

Seeking charter seasonal or most preferably a full-time Deckhand. As I am a newcomer in this industry I want to gain experience doing it with all my previous experience in merchant marine. My goal to achieve is to work as hard as possible to become a yacht captain.
